WILLIAM B. MARTIN, Clerk and Treasurer.

The undersigned, Auditors of Town Accounts, having examined the Treasurer's books for the last fiscal year, ending February, 1872, find them kept by the approved method. The entries are properly made, the postings and footings accurate, agreeing with the trial balance, and all the charges for cash paid out sustained by appropriate vouchers.

They have also examined the accounts of the Treasurer of Forest Glade Cemetery, and although they think the system which was adopted many years since might be simplified and improved, still the books are neatly and correctly kept, the trial balance agreeing with the ledger, and for every charge of cash a voucher on file corresponding.

The Auditors feel assured that the affairs of the Cemetery have never been better cared for nor in a more prosperous condition.

D. G. ROLLINS,
